

THE FOLLOWING SECTION APPLIES ONLY TO RIDERS WHO WILL BE SEEKING RACE REIMBURSEMENT.

Race Reimbursement Policy/Hooked on Racing Program

Team F.I.Taos wants to support those Team members who are taking their racing to the next level. We will have a “Hooked on Racing” Program for those Team members (in any racing category) who race consistently and meet the following requirements:

- All Hooked on Racing Program members must show their commitment to the team by racing and by being active in team activities (both organizing and attending).
- Juniors (18 and under) must start 4 races or more during the season and participate in a minimum of 4 Team events (meetings, training rides).
- Adults must start 6 races or more during the season and participate in a minimum of 4 Team events (meetings, training rides).
- Hooked on Racing Program participants may get additional sponsorship support. Team Managers will let you know about any discounts or products available.
- Only Hooked on Racing Program participants may qualify for race reimbursement. Each Team member who will be applying for race reimbursement must keep track of his/her own entry fees on the form provided. Late fees are not covered. You must start the event to qualify for reimbursement.
- All reimbursement forms must be submitted by December 1st. We will take the total amount of reimbursement requests and give every qualified rider the same percentage based on the budget available (i.e. each Hooked on Racing rider may receive 80% of their submitted costs if the budget cannot cover 100%). You may request only partial reimbursement or waive reimbursement entirely and donate the money back to the Team. It is entirely up to each individual to decide if they feel that they need this form of support.
- If you have ANY questions about race reimbursement, contact your Team Managers.
